

# *Physician - Join our team*

We are seeking a physician to join our dynamic team at MAUD Medical Clinic!  
We are located in Bridgeland.

Our promise is to offer evidence-based medical support for all things related to vaginal health. Maud would be a fulfilling place to work for those who enjoy team and collaboration, love women's health, empower others simply by being yourself, offer an educational approach to your patient care and have a growth mindset.

Services such as:

- Pelvic and Vaginal Pain assessment/management
- Menopause care
- Treatment of common vaginal and vulvar concerns
- Urinary incontinence assessment/management
- Endometrial biopsy
- Rapid access IUC implant and insertion
- Contraceptive counselling and management
- Paps
- Teen menstrual counselling

Allied health services include Women's health acupuncture, Pelvic Floor physiotherapy and Pelvic Health Education.

Fee for service and overhead split.
